Dear Dean Storey,

Thank you very much for the time you took on my recent trip to Dallas and for the copy of the report of the Texas Court of Inquiry. I look forward to catching up so that I may read it with care.

I also look forward to Mrs. Mary Ferrell's going through those volumes for me with the care for which I did not have time.

I hope that you do find your notes on the Washington meeting of January 24, 1964. They may be an important part of history, for the only other record made, the one of which I told you, is neither complete nor accurate.

Sincerely

Harold Weisberg
